# With Joy, Intuition and Creativity to Individual Solutions

## Mentoring / Consulting

In the deepness of our *Heart*, we know exactly what benefits us, but often we do not listen to this wise, loving guidance.

*Are you already the #1 in Your Life?*

Yes, it takes *Courage* to meet yourself, to discover the bigger picture behind it and your *Potential* .... It's worth it because you are worth it.

Is this the *Key* to your freedom?

If you feel you would like to learn more, please visit [www.petrasonmerfeld.com](http://www.petrasonmerfeld.com) or just give me a call.

*Be Yourself*

*the most important human being in your life,  
full of joy, playful ease, ...  
and remember who you truly are.*
